Cost of Camps 1 & 2 are $175 each for week (member) $ 225 for (Non-member)

Rain Policy:
One rain day is built into the cost of the camp. If 2 or more days are cancelled due to rain, an attempt will be made to add hours to the later days of the camp. You will be contacted by email by 8:30am if the day's class is cancelled due to rain. If you do not receive an email, you can assume that class will continue as scheduled.

Notes for Participants:

* We usually take a short break each day, at the half-way point of the camp. Students often bring a small snack and do team-building activities. Bring sufficient water and snacks for the duration of the program (the club will not provide any water or food).

* Bring proper gear - sports clothes, running / tennis shoes, and tennis racket. Players are encouraged to bring a hat, sunscreen, and to label all of their belongings.

* Westacres Pool allows us to use their washrooms, students will be accompanied by a coach during the break if needed.
